Because of previous remarks, The W.C. Members & Counsel Conclusion that Oswald and an unknown person or persons were responsible for the assassination of President Kennedy is unwarranted, unjustified and unwarranted.

Below is defense by Leon Effentino when The U.R. struck.

Point: Mayor does not deserve comments on Oswald's character as U.R. and Oswald did not kill J.F.K.!

Quotations from J.C.S. report on Firearms. No CIA connections. Oswald innocent. No motive.
